### Kudos For Mitch:

**Mister Mitch's  
F'ing Funny Pictures**

Your site just kicked my ass. I was using my laptop on the turlet and nearly fell off laughin'. In fact, that Mitch's page cleared up a clogged bowl (Does he mean the turlet bowl, or a clogged bowel?) that's been ailin' me for a week. God bless the Naptown Nomads. -- Sincerely, Snidley Over cup
